World Workplace 2024
Henry B. Gonzalez Convention Center
08:00 AM - 05:00 PM CST

IFMA's World Workplace® is the largest, most highly acclaimed facility management conference in the world -- and it's being held in San Antonio this year! Established in 1995, World Workplace is where all workplace professionals come to discover innovative FM technologies, build valuable relationships and sharpen essential skills.

The San Antonio Chapter of IFMA will be very involved with this event, and there will be many opportunities for both Facility Professionals and Businesses to support the Chapter. Contact us to find out how you can be an integral part of this effort.
